**Asalamu alaikum parents,**

We hope that all of you are safe and sound. We thank all the parents for their continuous support which has inspired us to keep doing better in order to help our students to excel in all walks of life. Now, as you people are well aware that we have completed our term 1<sup>st</sup> syllabus and are going to conduct **Term 1st exam from 21 June, 2021** through online mode.

Following points needs to be kept in consideration by the students:

1. The link will be available at 9:40 am. Students will join up to 9:50 am afterwards no student will be allowed to enter the class and will be marked absent in that very paper.
2. Only those students will be marked present who will join the link and will remain there for the stipulated time.
3. Students are supposed to keep their camera open and Mike mute (unless asked to unmute by the teacher supervising the exam).
4. Student showing any kind of indiscipline will be removed immediately and will be marked absent.

In this process we will need the cooperation and coordination of parents. We hope that they will cooperate and make this process successfully.

Thanks.
