Life has been hard for the past two and odd years, but our dear students stuck through and became a guiding light for others. The management and school administration through principal of the school do hereby extend heartiest congratulations to all the class 10 students of OHIE and their parents for maintaining the long legacy of the Institute by finding their names among the toppers. A big congratulations to the teaching staff for their efforts in making Institute proud of a brilliant success. The names of students who found their name with rank amongst the toppers are:
